

REMARKS/ARGUMENTS

The amendments to the specification merely correct errors to the missing ATCC reference numbers as requested in the Office Communication mailed February 22, 2007. More specifically, as the antibody described was never deposited with the ATCC, the amendments to the specification made herein merely remove the "(ATCC Deposit No. ____)" notation. No new matter is added.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 415-576-0200.

Respectfully submitted,

A handwritten signature in black ink, consisting of a large, stylized 'M' followed by a horizontal line and a small loop at the end.
